

Aspirations Institute: Premier Class 11 Science Tuition in Dwarka

Since 2004, [Aspirations Institute](#), we've been helping students navigate the challenging transition from Class 10 to 11 Science with our structured, confidence-building approach. Located near Ramphal Chowk, Sector 7, Dwarka, we combine 21+ years of academic excellence with experienced faculty and small batch sizes to ensure your success.

The Class 10 to 11 Transition Challenge

Physics

Demands application-based problem solving skills beyond memorization

Chemistry

Splits into Physical, Organic, and Inorganic—each requiring different approaches

Mathematics

Introduces advanced calculus, trigonometry, and algebra at a higher complexity level

The sudden increase in workload and complexity makes proper guidance essential for students transitioning to Class 11 Science.

Our Expert Faculty Team

Gagan Sir

Physics specialist with years of experience making complex concepts accessible

Narender Sir

Mathematics expert for both Science & Commerce streams

Shahbaz Sir

Chemistry specialist known for interactive teaching methods

Each faculty member has 8-25 years of teaching experience and specializes in making difficult concepts easy to understand.

Our Comprehensive Approach

Small Batch Size (15-18 students)

Ensures personal attention and immediate doubt resolution

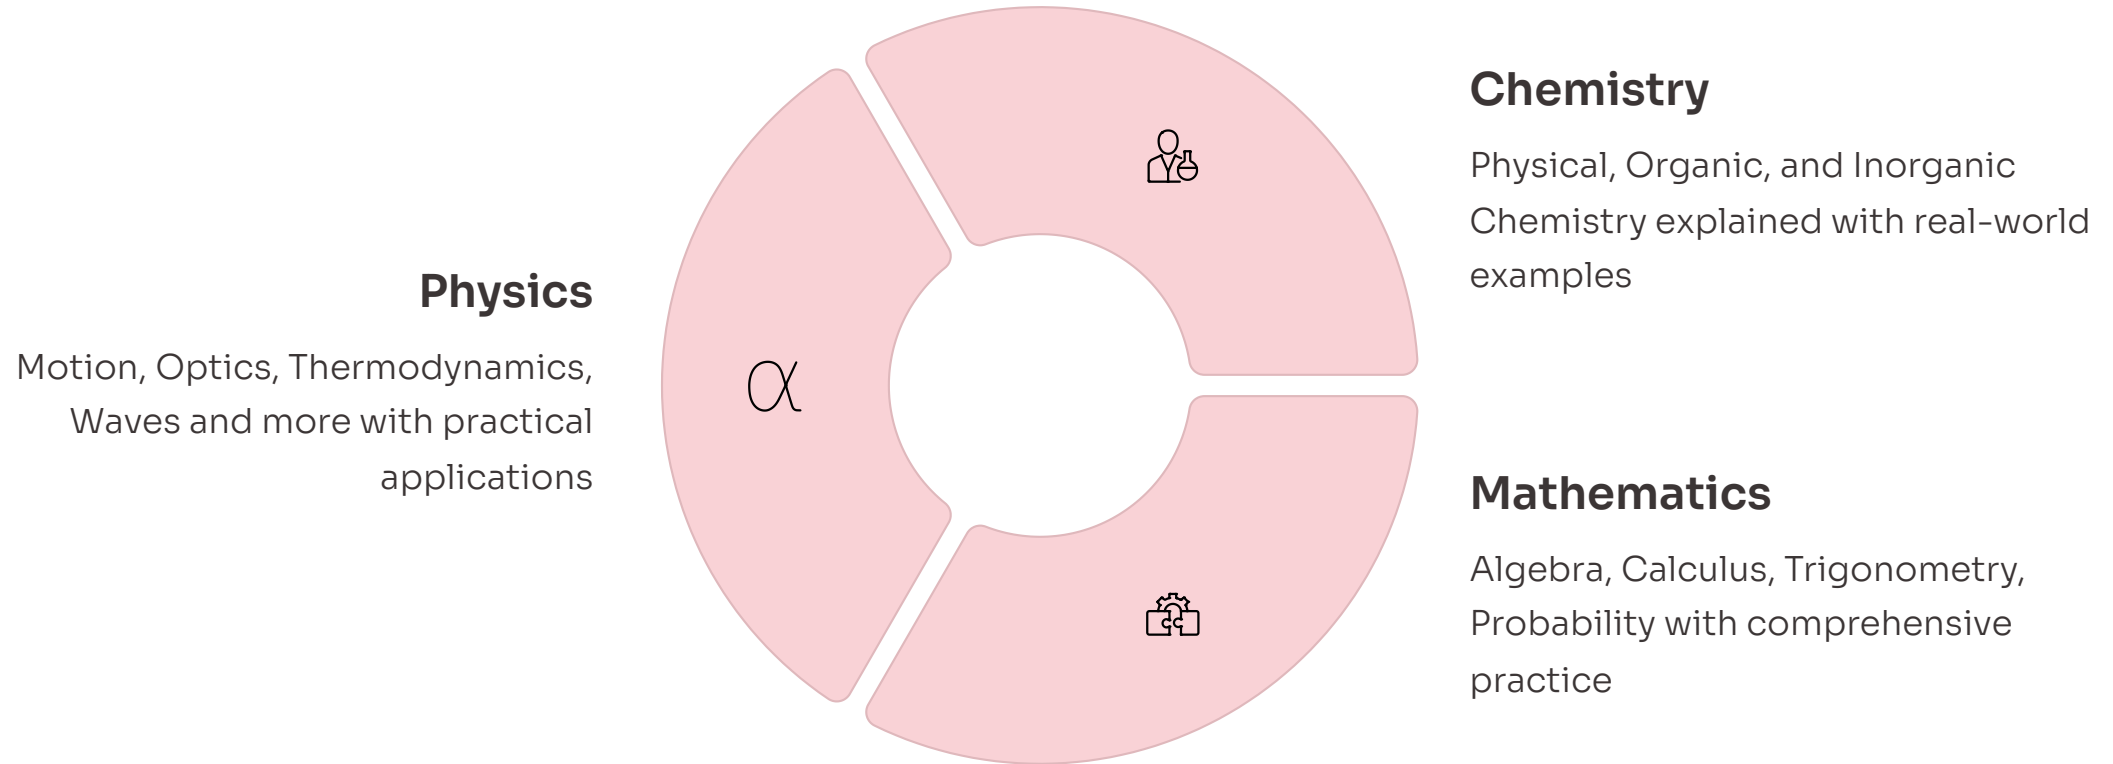

Dual Focus Curriculum

CBSE syllabus on weekdays, JEE preparation on weekends

Regular Assessment

Chapter-wise tests and worksheets to strengthen practice

Comprehensive Subject Coverage

Our curriculum prepares students for both Class 11 exams and builds a foundation for Class 12 and competitive exams.

Why Small Batches Matter

Personalized Attention

Teachers can monitor each student's progress and provide individualized guidance

Confidence Building

Even shy students feel comfortable asking questions and participating

Targeted Improvement

We create Capability Improvement Plans for students who need extra support

Our Comprehensive Facilities

Comfortable Learning Environment

AC classrooms for year-round comfort

Practical Learning

Physics lab for hands-on experiments

Resource Access

Library with reference books and study materials

Exam Preparation

Specialized crash courses before exams

Performance Tracking

Mobile app for monitoring test results

Safety

CCTV monitored classrooms for security

More than just tuition—we provide a complete learning ecosystem for science students.

Study Materials & Resources

Mathematics

NCERT + RD Sharma for
comprehensive practice

Science

NCERT + Lakhmir Singh + Exemplar
problems

Test Series

Regular CBSE-pattern tests and JEE
exposure sessions

Our curriculum combines the best resources to ensure thorough preparation for both board exams and competitive tests.

Location & Accessibility

Conveniently Located

B-185, Palam Extension, Near Ramphal Chowk, Sector 7, Dwarka, Delhi – 110075

- Easily accessible from all Dwarka sectors
- Well-connected by metro and bus routes
- Convenient for students from Palam, Janakpuri, and Uttam Nagar

Our strategic location makes us the ideal choice for students searching for "science tuition near Ramphal Chowk Dwarka"
